

# Express Repair - Return Delivery Note

## Brief description of Express Repair:

- The repair of the device will be completed within 3 days.
- If Weber Hydraulik is unable to complete the repair within 3 days, you are entitled to a free loaner device.

## Return instructions:

- When sending in the device, please provide all the information listed on the RMA form. (The RMA form is available for download on the website.)
- The symbol shown below must be visibly affixed to the package.
- If the package is marked with the symbol, the device will be processed using the „Express Repair“ package.

## Additional information:

- The waiting time for approval of the cost estimate is not included in the 3 days.
  - The 3 days are defined as the day the device is received until it is ready for shipment. (Shipping time is not included.)
  - Shipping costs for the rental equipment will be covered by Weber Hydraulik.
  - The loaner device may differ from the device sent in.
  - In case of deliberate damage to the loaned device, the customer must bear the costs of the repair.
